

HLTPAT005 Collect specimens for drug of abuse testing

(Release 2)

This unit describes the skills and knowledge required to confirm collection requirements, prepare client and equipment and collect specimens via urine and/or oral and breath testing following the special procedures that apply for drugs of abuse testing.

This unit applies to individuals working in collection centres, in hospitals, in other health care environments and workplaces where drugs of abuse testing takes place.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.
